

# Special Plastic Baggage Label-Holder

Total: €232.00

Unit: The 2000 label holders

- Resistant to traction
- Secure Identification
- Ideal for external use
- Any surface on which the labels do not stick

Sticker labels do not adhere to many surfaces, particularly surfaces of luggage. This label-holder proves to be the ideal solution for quick and secured identification of your belongings.

## A functional and robust label-holder

With a total length of **180mm** with usable length of **100mm**, it is resistant to a traction of about **160 N**. *An estimated delivery time of 4 to 6 weeks and plate costs will be charged for the first order : please contact us for the complete pricing system.*

## Adaptable labeling

Unlike other conventional label holders, its plate made of Moplen PPU plastic measures **30x43mm** and can display a **felt marking**, a **label**, a **customized laser label** as well as **hot stamping**.

**Different colors are available upon request.**

**Red** color is in stock. Other colors are however possible upon request, depending on the quantities ordered.
