

Cartridge for ZEBRA ZD421C and ZD421 HC printers

Total: €149.00

Unit: the box

- Superior print quality
- ZD421R compatibility
- 1D or 2D barcode scanning
- Exceptional resistance
- Material versatility

The ZD421C cartridge is specifically designed to deliver high-quality prints on your ZEBRA ZD421C or ZEBRA ZD421 HC thermal transfer printer. Its resin ribbon is ideal for applications requiring exceptional durability and increased resistance to demanding environments.

The resin ribbon ensures **sharp and precise printing**, suitable for various types of materials such as **paper, polyethylene, PVC, polypropylene, and polyester**. Thanks to its **high-performance resin composition**, it provides **exceptional resistance to solvents**, alcohol, oils, and grease, making your **prints durable and protected**, even in **harsh industrial conditions**.

With a width of 110 mm and a length of 74 meters, this ribbon is ideal for **printing applications requiring long-lasting performance and consistent quality**. It guarantees **perfect readability**, whether you are printing barcodes, text, or complex logos.

Watch the video tutorial on how to insert a cartridge into a compatible printer:

ZD421C Cartridge Terminal Compatibility

Print quality is compatible with a wide range of standard market scanners.

ZD421C Ribbon Cartridge – Focus on the Medical Sector

ZD421C HC is specifically designed to meet the strict requirements of the medical sector. Made from **disinfectant-resistant materials**, it ensures impeccable hygiene in hospitals and medical laboratories.

The ZD421C HC is the ideal choice for medical establishments seeking to combine **reliability, safety, and performance** in their printing processes. It guarantees sharp and precise prints, whether for medical sample labels, patient records, or medical devices.

The ZD421C cartridge is the ideal solution for your printing applications, offering quality, durability, and fast processing.

Reference	Format	Quality	Ribbons per Box	Printer Compatibility
05095ZD25707	57mm x 74M	Resin	12	ZD611R
05095BK08330	83mm x 300M	Resin	6	ZT411 and ZD621

Caractéristiques du produit :

Unit	the box
Conditioning	The box of 6
Dimensions	110 mm W x 74 m
Max printing width	118 mm
Max. roll diameter	127 mm
Diameter of the roll core	12 mm to 76 mm
