

Soft Transparent Double Badge Protection Case

Total: €52.00

Unit: the 100 badge holders

- Increases the life of your badges
- Easy to use
- Ensures maximum visibility in any situation
- Degressive pricing
- Professional look

This soft and transparent badge case lets you best protect your cards and badges from different types of deterioration. Consisting of two different compartments, this double badge case is the perfect solution that lets you keep your badges in perfect shape for a long period of time.

Badge case: a practical badge case with a discreet professional look

Are you looking for a discreet, practical and economical solution to protect your cards and badges? This ultra-soft case consisting of **two compartments** lets you slip your badges into your pocket without the risk of scratching or damaging them.

A **transparent** soft vinyl double case for cards is also available. This case made of matte vinyl on the outside and clear transparent vinyl on the inside consists of two compartments. **While one side of the case remains confidential, the other side is visible** and clearly displays the badge, making it easy to read.

It is very practical. You can slip it into your wallet or pocket without the fear of scratching or damaging your cards and badges.

Open format: 125x95mm for 86x54mm cards.
